PROFILE

Electrical & Computer Engineering student at Rajshahi University of Engineering & Technology (RUET), interested in software development, embedded systems, robotics, and applied artificial intelligence. Experienced in developing student-focused web applications and building hardware prototypes involving microcontrollers, sensors, and display interfaces. Also brings experience in student representation, organizational leadership, event coordination, and collaborative project work.

EDUCATION

Bachelor of Science (B.Sc.) in Electrical & Computer Engineering, Rajshahi University of Engineering & Technology (RUET)

Session: 2023-24.

Current CGPA: 3.55.

Higher Secondary Certificate (HSC), Dhaka Residential Model College **2023**

- Final GPA: 5.00/5.00.

Secondary School Certificate (SSC), Jamalpur Zilla School **2021**

- Final GPA: 5.00/5.00.
- Government Scholarship Recipient.

KEY SKILLS

- **Programming:** C, C++, SQL (Intermediate)
- **Web:** JavaScript, HTML, CSS, Frontend & Backend Development (Basic)
- **Embedded:** STM32 (Intermediate), Arduino, ESP8266/NodeMCU (Basic)
- **Electronics:** Digital & Analog Electronics, Sensor Interfacing, Circuit Design, Proteus Simulation (Intermediate)
- **Robotics & AI:** Robotics, Artificial Intelligence (Intermediate); IoT & Automation (Basic)
- **Tools:** VS Code, Git & GitHub, Arduino IDE (Intermediate); MATLAB, Canva
- **Productivity:** MS Office (Advanced)

CORE COMPETENCIES

- Leadership
- Team Management
- Communication
- Problem Solving
- Event Coordination
- Public Speaking
- Project Management
- Time Management

LANGUAGES

- **Bangla:** Native Proficiency
- **English:** Professional Working Proficiency

RESEARCH INTERESTS

- Solid State Physics
- Robotics
- Solar Systems
- Nano-Materials

TECHNICAL PROJECTS

OOPQuizBot, Course Materials & Learning Web Application **Completed**

- Developed a course-support web application for searching course materials and course-related items, with a notebook-style workspace.
- Designed to help students organize and access learning resources in one place.
- **Source Code:** github.com/Mahathir12/OOPQuizBot

LifeTracker, Student Productivity Web Application **Completed**

- Developed an organized web application for students to manage academic and personal activities.
- Includes attendance tracking, finance management, and daily task monitoring.
- **Source Code:** github.com/Mahathir12/LifeTracker

PitchCode, Cricket Tournament & Player Auction Platform **Completed**

- Developed a cricket platform featuring tournament scheduling, live scoring, and an interactive player auction.
- CV project technologies include HTML, CSS, MongoDB, and REST API integration.
- **Source Code:** github.com/Mahathir12/PitchCode

Environmental Monitoring Module, Embedded Systems Prototype **Completed Prototype**

- Developed an STM32 Blue Pill-based environmental monitoring prototype with a 128×64 OLED display.
- Integrated temperature and humidity, MQ-series gas, dust, and BMP280 pressure sensors.
- Worked on microcontroller programming, sensor interfacing, OLED integration, and prototype testing using C/C++ and Arduino IDE.

Self-Balancing Robot, Robotics Hardware Project

- Robotics project focused on maintaining an upright balance through sensing, feedback, and motor control.

LEADERSHIP & ORGANIZATIONAL EXPERIENCE

Lead Administrator, Bindass Roleplay Bangladesh

Chief Election Commissioner, Jamalpur Zilla School Cabinet Election **2019 – 2021**

Assistant Chief Election Commissioner, Jamalpur Zilla School Cabinet Election **2018 – 2019**

Executive Member, Robotics Society of RUET – Onuronon

Executive Member, RUET Cultural Club

Executive Member, RUET ECE Club

Executive Member, Ovijatrik – RUET Adventure Club

Senior Executive Member, RUET E-sports Community

Assistant Cultural Secretary, Remian Community of RUET

Assistant ICT Secretary, GMA – Greater Mymensingh Association

Class Representative, ECE'23 Series, RUET **2024 – 2026**

- Represented the ECE'23 cohort and supported communication between students and faculty.

EVENT MANAGEMENT EXPERIENCE

Event Coordinator, Developing Semiconductor Industries In Bangladesh **Dec 2025**

- Coordinated event details, guest names, speaker biographies, and specific timing for the academic seminar.
- Managed banner design and event representation, ensuring the footer accurately credited the organizer as the Faculty of Electrical & Computer Engineering.

Venue Manager, National Science Fair, Jamalpur Zilla School **800+ Participants**

- Supervised venue preparation and operational activities throughout the event, ensuring smooth venue management for one of the largest school science fairs.
- Coordinated movement of participants, judges and organizing teams.

Advisor, 3rd DRMC Business Fair **500+ Participants**

- Provided strategic guidance to the organizing committee and assisted in planning, scheduling, and execution of the fair.

Organizer, 1st Entrance Day, RUET **450+ Participants**

- Coordinated overall event logistics, registration, and participant management, assisting in welcoming newly admitted students.

Staff Coordinator, ৩য় ভাষা প্রতিযোগ **350+ Participants**

- Coordinated volunteers and support staff during the event, managing duty allocation and event discipline.

SCHOLARSHIPS & RECOGNITION

- **Government Scholarships:** Recipient of government scholarships for PSC, JSC, and SSC examinations.
- **RUET Technical Scholarship:** Merit/result-based technical scholarship during the first and second academic years at RUET.
- **Leadership Certificate:** Recognition for serving as Class Representative of the ECE'23 Series (2024 -- 2026).

PROFESSIONAL DEVELOPMENT

Workshops Attended, Technical & Career Development

- Database Management Systems (Green Frog)
- Embedded Systems (Robotics Society of RUET)
- Research Paper Writing (IEEE)

Programs & Activities, Competitions and Tech Fairs

- Participated in Prime Academia (Season 1 & 2), Technocracy Lite, and Tech Fest.
- Engaged in the National IT Fair (DRMC), 11th RCF Career Fair, and LAN E-Sports Competition.
