github.com/Mahathir12 • LinkedIn: mahathir-mahi

PROFESSIONAL PROFILE

Electrical & Computer Engineering student at Rajshahi University of Engineering & Technology (RUET), interested in software development, embedded systems, robotics and applied artificial intelligence. Builds student-focused web applications and hardware prototypes involving microcontrollers, sensors and display interfaces. Experienced in student representation, organizational leadership and event coordination.

EDUCATION

B.Sc. in Electrical & Computer Engineering — Rajshahi University of Engineering & Technology | Session 2023–2024

- Current CGPA: 3.55/4.00

HSC — Dhaka Residential Model College | 2023

- GPA: 5.00/5.00

SSC — Jamalpur Zilla School | 2021

- GPA: 5.00/5.00

TECHNICAL SKILLS

Programming & Web	C, C++, SQL (Intermediate); JavaScript, HTML, CSS, frontend and backend development (Basic)
Embedded & Electronics	STM32, digital/analog electronics, sensor interfacing, circuit design, Proteus (Intermediate); Arduino, ESP8266/NodeMCU (Basic)
Robotics & AI	Robotics and Artificial Intelligence (Intermediate); IoT and Automation (Basic)
Tools	VS Code, Git & GitHub, Arduino IDE (Intermediate); MATLAB, Canva; MS Office (Advanced)
Professional	Leadership, team management, communication, problem solving, event coordination, public speaking, project management, time management

SELECTED PROJECTS

OOPQuizBot — Course-support web application | Completed

- Course-material and course-item discovery with a notebook-style workspace; CV also describes classroom-management features and local AI assistance using LM Studio.
- GitHub repository

LifeTracker — Student productivity web application | Completed

- Combines attendance tracking, finance management and daily task monitoring in an organized student-focused application.
- GitHub repository

PitchCode — Cricket tournament & player-auction platform | Completed

- Tournament scheduling, live scoring and interactive player auction; CV lists HTML, CSS, MongoDB and REST API integration.
- GitHub repository

Environmental Monitoring Module — Embedded systems | Completed prototype

- STM32 Blue Pill and 128×64 OLED prototype integrating temperature/humidity, MQ-series gas, dust and BMP280 pressure sensing; work included sensor interfacing and display integration.

Self-Balancing Robot — Robotics hardware project

- Robotics project focused on upright balance through sensing, feedback and motor control.

MAHATHIR MOHAMMAD MAHI

LEADERSHIP • EXPERIENCE • ACHIEVEMENTS

LEADERSHIP & ORGANIZATIONAL EXPERIENCE

Lead Administrator — Bindass Roleplay Bangladesh

Chief Election Commissioner — Jamalpur Zilla School Cabinet Election | **2019–2021**

Assistant Chief Election Commissioner — Jamalpur Zilla School Cabinet Election | **2018–2019**

Executive Member — Robotics Society of RUET — Onuronon

Executive Member — RUET Cultural Club

Executive Member — RUET ECE Club

Executive Member — Ovijatrik — RUET Adventure Club

Senior Executive Member — RUET E-sports Community

Assistant Cultural Secretary — Remian Community of RUET

Assistant ICT Secretary — GMA — Greater Mymensingh Association

Class Representative — ECE'23 Series, RUET | **2024–2026**

EVENT & COORDINATION EXPERIENCE

Event Coordinator — Developing Semiconductor Industries in Bangladesh | **Dec 2025**

- Coordinated event details, guest/speaker information, schedules and banner design for an academic seminar.

Venue Manager — National Science Fair, Jamalpur Zilla School | **800+ participants**

- Supervised venue preparation and operations; coordinated participants, judges and organizing teams.

Complaint Manager — National Environment Seminar | **600+ participants**

- Managed participant support and coordinated issue resolution with organizers.

Advisor — 3rd DRMC Business Fair | **500+ participants**

- Advised the organizing committee on planning, scheduling and execution.

Organizer — 1st Entrance Day, RUET | **450+ participants**

- Supported event logistics, registration and participant management.

Staff Coordinator — 4th ■■■■ ■■■■■■■■ | **350+ participants**

- Coordinated volunteers, duty allocation and event discipline.

ACHIEVEMENTS & SCHOLARSHIPS

Government Scholarships — PSC, JSC and SSC examinations

- Government scholarship recipient across the listed public examinations.

RUET Technical Scholarship — Rajshahi University of Engineering & Technology | **First and second year**

- Merit/result-based technical scholarship, as reported.

Leadership Certificate — Class Representative — ECE'23 Series | **2024–2026**

- Certificate recognizing service as class representative.

PROFESSIONAL DEVELOPMENT

Workshops: Database Management Systems (Green Frog); Embedded Systems (Robotics Society of RUET); Research Paper Writing (IEEE).

Programs: Prime Academia (Season 1 & 2), Technocracy Lite, Tech Fest, National IT Fair (DRMC), 11th RCF Career Fair and LAN E-Sports Competition.
